Terms & Conditions

PRODUCT PRICING

ALL PRICES LISTED ARE DELIVERED OR FREIGHT EXCLUDED PRICING WITHOUT INSTALLATION. SEDIA SYSTEMS prices applicable to all Customer orders shall be those in effect at the time SEDIA SYSTEMS receives a complete order from Customer unless: Customer and SEDIA SYSTEMS have in place a written special pricing or master supply agreement, which agreement specifies the prices to be paid by Customer; or Customer requests a product shipping date to occur more than one hundred twenty (120) days after SEDIA SYSTEMS' receipt of Customer's order (in which case SEDIA SYSTEMS shall have the option to apply to Customer's order the price list in effect as of Customer's requested shipping date).

FREIGHT TERMS

SEDIA SYSTEMS reserves the right to select the "Best Way" shipment methods and means (including, but not limited to, determination of the carrier, method of shipment, and routing). Products quoted as "Delivered Pricing" shall be "F.O.B. Origin," and freight charges are based on shipments to the 48 U.S. contiguous states. Customer shall prepay all freight charges and any extra expenses resulting from any request by Customer for after-hours, holiday, weekend, or specific time delivery, or special carrier, shipping method, (e.g. air freight, exclusive use vehicle) packaging, and/or routing.

REQUESTS FOR SPECIFIC DELIVERY TIME(S)

SEDIA SYSTEMS considers requests for delivery times and for drop shipments to job sites, and will undertake reasonable efforts to indicate any such request(s) to product carriers. SEDIA SYSTEMS may, in its sole discretion, extend to Customer the option of a carrier-guaranteed set delivery time at an additional cost to Customer. SEDIA SYSTEMS' liability for any damages incurred for any late deliveries, including labor and other expenses resulting from any such delays, shall be limited to a refund of the charge for the aforementioned guaranteed set delivery time.

PAYMENT TERMS; NET THIRTY DAYS

Payment on all SEDIA SYSTEMS invoices shall be made in U.S. dollars within thirty (30) days of the date of each such invoice and without offset, back charges, retention, or withholding of any kind. Unpaid and delinquent invoices shall accrue interest at the rate of one and one-half percent (1.5%) per month, or the highest rate permitted by law, whichever is less.

CUSTOM DEPOSITS

Customer may be required to pay a deposit equal to fifty percent (50%) of the purchase price of any custom or nonstandard products identified in Customer's purchase order. Any such deposit shall accompany Customer's purchase order.

NEW ACCOUNTS

New accounts require the approval of a SEDIA SYSTEMS' sales representative, credit references, and a valid tax-exempt or resale certificate (where applicable).

SECURITY INTEREST IN PRODUCTS

SEDIA SYSTEMS shall retain a purchase money security interest in all products sold to Customer and for which Customer has not made full payment. Customer agrees to execute any and all instruments necessary to document the creation of this security interest and/or to perfect the same. Customer further agrees to assemble and deliver to SEDIA SYSTEMS all products subject to this security interest in the event Customer defaults on Customer's payment obligations to SEDIA SYSTEMS.

ACKNOWLEDGEMENTS

SEDIA SYSTEMS sends acknowledgements on all orders. Please read these acknowledgements and contact SEDIA SYSTEMS immediately if there is any discrepancy. In the event of any difference or inconsistency between SEDIA SYSTEMS' acknowledgement and Customer's purchase order, SEDIA SYSTEMS' acknowledgement will control. In the event the model number and description differ on the purchase order, the model number will be the determining factor. Any error or discrepancy on acknowledgement must be reported to SEDIA SYSTEMS in writing within three (3) working days of acknowledgement date. All acknowledgements contain an estimated shipping date, but an order may ship earlier than the estimated shipping date. If Customer desires delivery on or after a specified date, Customer must write "Do not ship for arrival before [date]" on Customer's purchase order. Lead time for fixed seating projects begins from the date of signed shop drawings. Initial shipping date acknowledgement for fixed seating will be an estimate based on information provided at the time of purchase order.

FAX ORDERS

Orders may be sent to SEDIA SYSTEMS via facsimile (312-226-1199). If, following submission of a facsimile order to SEDIA SYSTEMS, Customer sends a confirming order, such confirming order must be marked "Confirming Order. Original order sent via fax." SEDIA SYSTEMS will not be responsible for any duplication orders caused by unmarked hard copy, duplicative confirming orders, or orders sent via facsimile more than once.

Terms & Conditions

CHANGES OR CANCELLATIONS OF ORDERS

Purchase orders acknowledged by SEDIA SYSTEMS cannot be changed or cancelled without SEDIA SYSTEMS's consent, which consent may be conditioned upon Customer's agreement to pay increased or additional expenses resulting from the requested change or cancellation including but not limited to a twenty-five percent (25%) cancellation charge if order is cancelled or changed at least thirty (30) days before shipment. No refund or credit will be given for orders cancelled within thirty (30) days of shipment or orders involving custom product.

TITLE AND RISK OF LOSS

Title to product shall pass to Customer upon delivery by SEDIA SYSTEMS to the carrier. Unless specifically stated otherwise in SEDIA SYSTEMS' contract with Customer under separate cover, for purposes of risk of loss, all shipments are "F.O.B. Origin"; and Customer acknowledges that, once SEDIA SYSTEMS delivers the product to the carrier, risk of loss shall pass to Customer. If you receive product that is freight damaged, the following steps must be taken:

1. Before signing for the merchandise, make careful notation of all damages on the bill of lading or delivery receipt.
2. Immediately file a claim with the delivery carrier. Request an inspection by the carrier agent.
3. The claim must be filed within fifteen (15) days of receipt of goods.
4. Retain all shipping cartons for inspection by the carrier agent. For concealed damages follow steps 2 through 4.

SHIPMENT DAMAGE CLAIMS

All products are packaged to comply with carrier requirements and leave SEDIA SYSTEMS' manufacturing facilities in good condition. Customer shall be responsible for careful inspection of all product upon delivery and before acceptance. Any damage discovered upon delivery must be noted on the bill of lading. Notification of damage discovered after delivery must be given to the carrier within fifteen (15) days immediately following delivery, and all damaged product must be kept at the point of delivery in its original packaging. SEDIA SYSTEMS shall not be liable for loss or damage to product that occurs in transit, and Customer's sole remedy for any such damages shall be to seek appropriate recourse against the carrier.

INSTALLATION

A SEDIA SYSTEMS approved installer is required to install all fixed-seating product. If Customer prefers to work with a non-approved installer, SEDIA SYSTEMS will supervise for a fee of \$1000 per day plus travel expenses.

COM FABRIC TESTING

To determine if a fabric is suitable for upholstery, two (2) yards of fabric must be submitted for approval. If the fabric is directional then direction must be clearly indicated on the sample.

WEIGHTS AND DIMENSIONS

All weights and dimensions listed in SEDIA SYSTEMS' price or product listings are approximate.

NOTIFICATION TO SEDIA SYSTEMS

Except as set forth elsewhere in these Terms & Conditions, all inquiries and correspondence to SEDIA SYSTEMS should be directed to: SEDIA SYSTEMS, 1820 W. Hubbard, Suite 300, Chicago, IL 60622 312-212-8010.

WARRANTY

SEDIA SYSTEMS warrants products purchased hereunder to be free from defects in materials and workmanship for a period of ten (10) years from date of purchase. We will repair or replace, at our option, any product that we determine to be defective as a result of faulty material or workmanship. In no event shall our liability under this warranty exceed the original purchase price of the product determined to be defective. This warranty does not apply where product has been abused, mishandled or subjected to use other than for which it was designed. For the purpose of this warranty, normal wear to the product finish shall not be considered a defect. There are no other warranties expressed or implied.
