E10

sediasystems

E10

The E10 is a comfortable and affordable chair that looks smart and performs brilliantly. Its clean, functional design makes this auditorium chair a popular choice among universities and corporate training rooms. With multiple features and options to choose from, including a supportive and sleek tablet arm and gravity uplift seat, the E10 is ideal for any auditorium. When selecting a solution perfect for learning environments, the E10 is a great option.

Highlighting Design

Gravity Uplift Seat

Gravity uplift seat with counterweight mechanism allows the seat to return to its vertical position when unoccupied.

Pedestal Supports

Heavy gauge tubular steel provides a durable structure; featuring scratch resistant black powder coat paint.

Tri Pivot Mechanism

Nylon pivot block and tri-pin mechanism rotates on center pin with two load distributing stop pins for increased strength.

Anti-Panic Tablet Arm

8mm black phenolic tablet with anti-panic movement folds away for maximum aisle clearance and ease of use.

BioComfort Polyurethane Foam

Fully upholstered seat and back cushions utilize high quality, environmentally friendly BioComfort® foam.

Wire Management

A variety of power and USB options attach directly to the support frame for an integrated and streamlined look.
