G20

The G20 auditorium chair, thoughtfully designed with the user in mind, radiates sophistication. From the clean, geometric lines of the side panels to the streamlined design of the seat and back, this chair is ideal for auditoriums and performing arts venues. With a gravity uplift seat, wire management and anti-panic tablet arm options, the exceptional comfort of the G20 will leave a lasting impression in any capacity.

Highlighting Design

Gravity Uplift Seat

Gravity uplift seat with counterweight mechanism allows the seat to return to its vertical position when unoccupied.

Pedestal Supports

Heavy duty tubular steel provides a durable structure; available in scratch proof black powder coat paint.

Wire Management

A variety of power, USB and data options attach directly to the support frame for an integrated and streamlined look.

UL 962 Certified

BioComfort Polyurethane Foam

Fully upholstered seat and back cushions utilize high quality, environmentally friendly BioComfort® foam.

Anti-Panic Tablet Arm

8mm black phenolic tablet with anti-panic movement folds away into the arm panel for ease of use.
