sediasystems + Humanscale

A collaboration that helps visionaries redraw the limits of space.

Sedia Systems redefined what fixed seating could be. Humanscale redefined how comfort should feel. Together, we give designers a full range of possibilities—from systems that maximize capacity to solutions that elevate ergonomics and craft. The result: environments that are efficient and inspiring, beautiful and enduring.

M50

Fixed Table

M50

Fixed Table

A foundation that fits every room.

The M50 delivers durable, streamlined work surfaces designed for active learning. Its flexible installation and clean detailing make this table at home in lecture halls, classrooms or training spaces.

The M Series' innovative design pairs perfectly with award-winning Humanscale chairs.
